

Online Collaboration and Google Wave

One of the hot topics on the net is 'How will Google Wave impact online collaboration? As with many new 'tools' often the way people use it and the way it was intended to be used by the developers differ greatly. I wonder what mash-ups will emerge from Wave? <http://bit.ly/CEdht>

I am also wondering how Google Wave will effect Peer-to-Peer communication? <http://bit.ly/1Ws6H1>
